WORKSHOP MEETING  
FEBRUARY 7, 2023  
7 P.M.  
2

Discussion – Highlands Planning – Mayor Martinez, Administrator James Lampmann and Councilman Calvi met with representatives from the Highlands Council. They are interested in reviewing our Land Use Master Plan and comparing it to their own regarding potential redevelopment opportunities that would open up grants. They would look at both plans to identify areas where we should improve our Master Plan and make recommendations. Mr. Lampmann stated we have very little Highlands property and questions whether they would have input on all Butler redevelopment in the future. All agreed we need clarification on what they would control and will follow up with our Planner, Donna Holmqvist, to get more information and additional feedback.

Discussion – CDBG has been delayed in releasing applications. Additionally, they are changing eligibility requirements which may prevent us from applying this year due to the fact that we received funds last year. IF we do qualify, Mr. Lampmann recommended the Rhodda St water line being replaced. It currently is a 4” line feeding an 8” on Ogden. His project would take all lines up to an 8”. All Council members agreed to this recommendation.

**OPEN PUBLIC DISCUSSION**

Mayor Martinez opened the meeting to the public.
