

Electric Utility Groundhand\Lineworker – Borough of Butler seeks a self-motivated, reliable employee to perform all the tasks associated with Electric Utility linework operations. These include tree work, pole climbing, bucket work on utility power lines, and other tasks associated with electric utility linework. Individual must be willing to work long hours in difficult weather conditions and be available for night and weekend callouts. Previous experience is not necessary but applicant must be willing to be trained in the line of work. Response time to after hours callouts is an important factor in the hiring process. Send resume by January 23, 2013 to:
