Dear Community Leader

United Way of Northern New Jersey is asking for your help to promote our Free Tax Preparation Program. The Volunteer Income Tax Assistance (VITA) program offers free tax preparation to low and moderate-income residents and persons with disabilities who need assistance in preparing their tax returns.

The average cost for a paid tax preparer is \$270 and is a large expense for someone already struggling to pay their bills. Many people, desperate for their refunds, are taken advantage of by unscrupulous tax preparers or take refund anticipation loans at high interest rates which significantly reduces their total refunds. Our IRS Tax Law certified volunteers help individuals and families secure all the eligible tax credits and get their full refund with no cost to them.

Please share these flyers with your staff, members of your organization and anyone in your communities you feel would benefit from this program.

If you would like more information sent electronically or would like to speak with us about our tax program, please email Monica.Conover@UnitedWayNNJ.org or call 973-993-1160x529.
