Mayor Robert W. Alviene and the Butler Board of Health are pleased to announce a free Skin Cancer Screening for Butler Borough residents. The screening, which includes a complete body scan by a board certified Dermatologist and skin cancer education, will be held from 6:00pm – 8:00pm on May 31, 2018 at the Butler Health Clinic, One Ace Road.

One out of five Americans will be diagnosed with skin cancer, but if detected early and treated, there is a 99% cure rate. Pre-registration is required for this screening. Register by calling 973-838-7200, ext. 237.
