

Chief Water Treatment Plant Operator

The Borough of Butler is seeking a full time Chief Water Treatment Plant Operator. Responsibilities include but are not limited to supervising the daily operations and maintenance of a surface water treatment facility treating an average of 1.5 MGD and serving less than 10,000 people. Facility has one intake structure, two upflow clarifier basins, two booster stations, pressure filters, two storage tanks, thickening lagoons, drying bed and related equipment. Candidate will also be required to perform water quality analysis, meet the DEP schedule for potable water and discharge permit reporting and recordkeeping. Applicant MUST possess required T-3 License or higher. W-2 distribution and N-2 Industrial License are also a plus.

Salary based on experience.

Please e-mail cover letter, resume, references and salary history to the attention of the Borough Administrator, Jim Lampmann at admin@butlerborough.com. Replies can also be mailed to: Borough of Butler, 1 Ace Road, Butler, NJ 07405, Attention: Jim Lampmann. The Borough reserves the right to review and interview candidates as resumes are received.
