Please return this form to the Borough Clerk, One Ace Road, Butler, New Jersey 07405

You may also return this form by e-mail to clerk@butlerborough.com

The Borough of Butler is creating a Do Not Knock list for those Borough residents that do not wish to have solicitors knock on their door. This is not mandatory.

By filling out the form above, you are agreeing to have your address placed on a Do Not Knock list that will be given to all licensed solicitors. This will prohibit them from knocking on your door to solicit. Be advised that under the Federal Internal Revenue Code of 1954 Tax Exempt organizations such as charitable, religious, political or other non-profit organizations are excluded from the Do Not Knock list. A copy of the list will be on file with the Borough of Butler Police Department.

Below is the section of the Butler Municipal Borough Code that authorizes a Do Not Knock list.

Borough of Butler Municipal Code Section 91-7 F

F. No person subject to the terms of this chapter shall make any solicitation within the Borough limits where solicitors are notified by sign that soliciting is prohibited or which is contained on a list maintained by the Borough of residences not to be solicited. The Borough Clerk shall provide each person securing a permit or special permit with such list and shall take suitable steps to inform the residents of the Borough that they may be included on such list if they so choose.
